

Good Practice Examples

In several countries experiences with green procurement were gained in the last years. Here good practice examples are listed from Austria, Bulgaria, Croatia, Cyprus, the Czech Republic, France, Germany, Greece, Hungary, Italy, Latvia, Lithuania, Romania, Slovenia, and Sweden. Choose one of the product group categories on the left to download good practice examples from both public and private sectors. Summaries of pilot projects that were implemented during Buy Smart and Buy Smart+ are also listed here.
